**To design a Google Form and analyze responses.**

### **Objectives**

- To create form with multiple question types
- To collect sample responses
- To analyze responses

### **Materials Required**

- Google account
- Internet

### **Procedure**

Create new Google Form

Open Google Forms from your Google account and click “Blank Form” to start a new form.

This opens an empty form where you can add questions.

### **Title it “Student Attendance Report”**

Enter the title at the top of the form and add a short description if needed.

This helps respondents understand the purpose of the form.

### **Add MCQs, rating, checkbox and short answer**

Use the question type menu to insert multiple-choice questions, rating scales, checkboxes, and short-answer

fields.

Arrange the questions in a logical order for easy response.

### Customize theme

Click the Theme icon to change colors, fonts, and header images.

This improves the appearance and makes the form visually appealing.

### Share form and collect responses

Use the Send button to share the form via link, email, or QR code.

Allow participants to submit their responses through any device.

### View summary charts

Go to the Responses tab to see automatic charts and graphs generated by Google Forms.

These visual summaries help you quickly analyze the collected data.

### Take screenshots

Capture screenshots of the form, responses, and charts for documentation.

Save them for use in reports or practical records.

The screenshot displays the Google Forms editor interface. At the top, the title 'Untitled form' is visible next to a folder icon and a star icon, with the text 'All changes saved in Drive' below it. On the right side of the top bar, there are icons for theme, preview, undo, redo, link, and share. Below the top bar, there are tabs for 'Questions', 'Responses' (which is selected and has a '5' next to it), and 'Settings'. The 'Total points: 10' is also displayed. The main content area shows a form with a header image of a desk with a globe and a magnifying glass. The title of the form is 'STUDENT ATTENDANCE REPORT'. Below the title is a 'Form description' field. The first question is 'YOUR NAME \*' with a red asterisk indicating it is required. The question type is 'Short answer text'.
